Genuine DEUTZ Cooling System Conditioner

DEUTZ SERVICE. We care. We support. We deliver.

Protection all year round.

Genuine DEUTZ coolant is specifically engineered to ensure the performance, reliability and durability that our customers demand!

**WE RECOMMEND
THE USE OF
DEUTZ COOLING
SYSTEM
CONDITIONER**

All liquid-cooled engines require an effective product to ensure long-term conservation of the engine's cooling system. Reliably prevent corrosion, cavitation and freezing in all fast running engines with Genuine DEUTZ cooling system conditioner.

The engine company.

The benefits of buying Genuine DEUTZ Coolant

- Formulated to suit all materials inside the DEUTZ engine
- Reliably prevents corrosion, cavitation and freezing
- Replacement only necessary every two years
- Free of nitrites and amines, silicates and phosphates
- Characterized by low maintenance requirements
